Pietas, king of the immortal Sempervians.
He has platinum blond hair, and turquoise eyes. His uniform is white with teal trim.

Six is the human warrior from Bringer of Chaos: the Origin of Pietas. He is Hispanic and has dusky skin, black hair, and brown eyes.

Wulf Gabriel is a supermodel in the Tarthian Empire. He has black hair and whiskey-brown eyes.

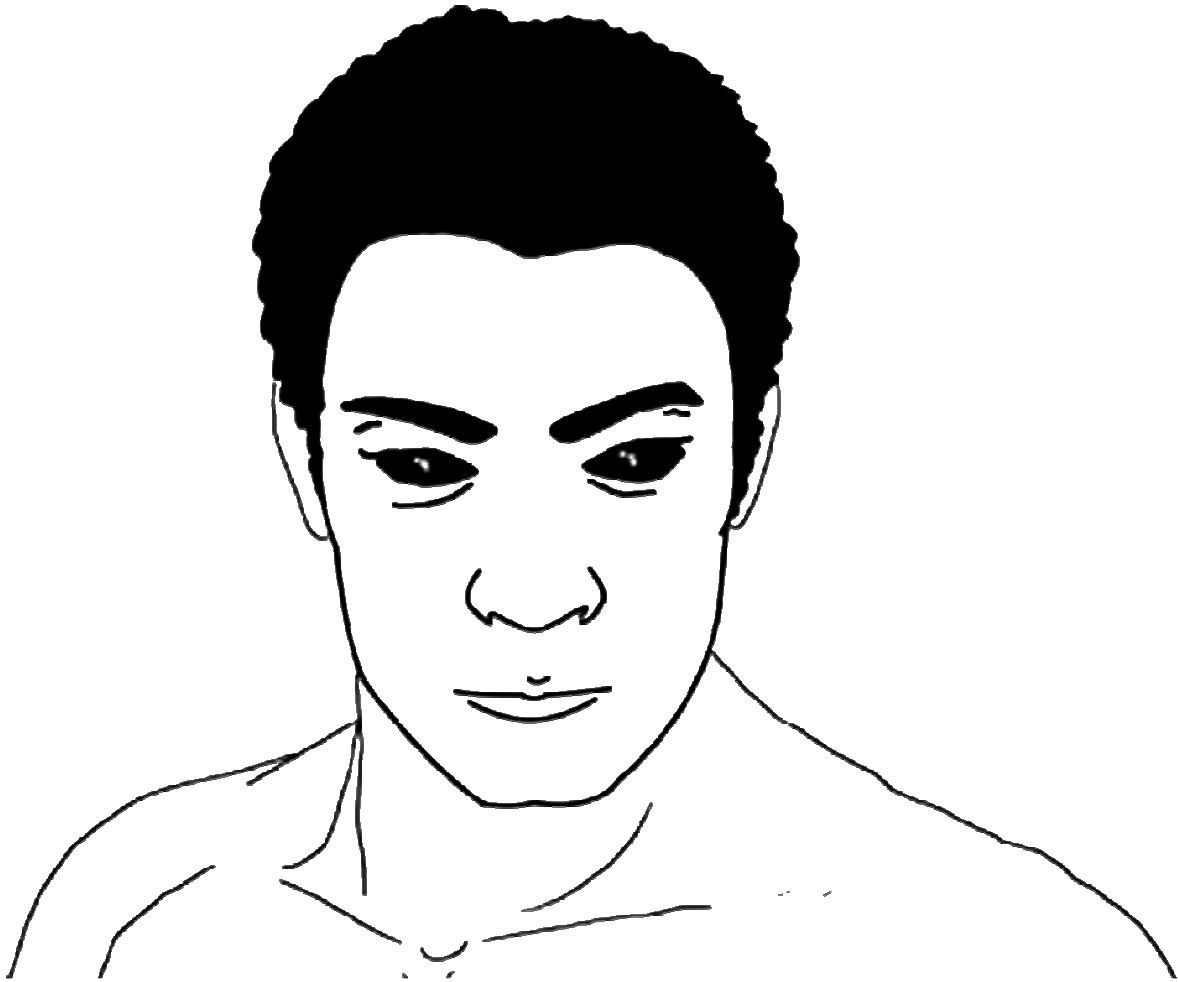

Alitus Vivaldi is a Better, an enhanced human. He has blond hair and deep blue eyes.
His touch is addictive. He has an affinity for language and forgets little.

Jawk Brighton is a Kin, a feline humanoid. He has dark hair and amber eyes. He favors the color green

Luc Saint-Cyr is an immortal. He is black-skinned and has black eyes with no whites showing. He is the right-hand man to Pietas. He is known as the Harbinger.

Izzorah Ceeow is a Kin, and has emerald green eyes and dark brown hair. He often wears a pale green to match his clan color.

He will appear in the upcoming books
Surrender Love, Surrender Trust, and Forbid My Heart.

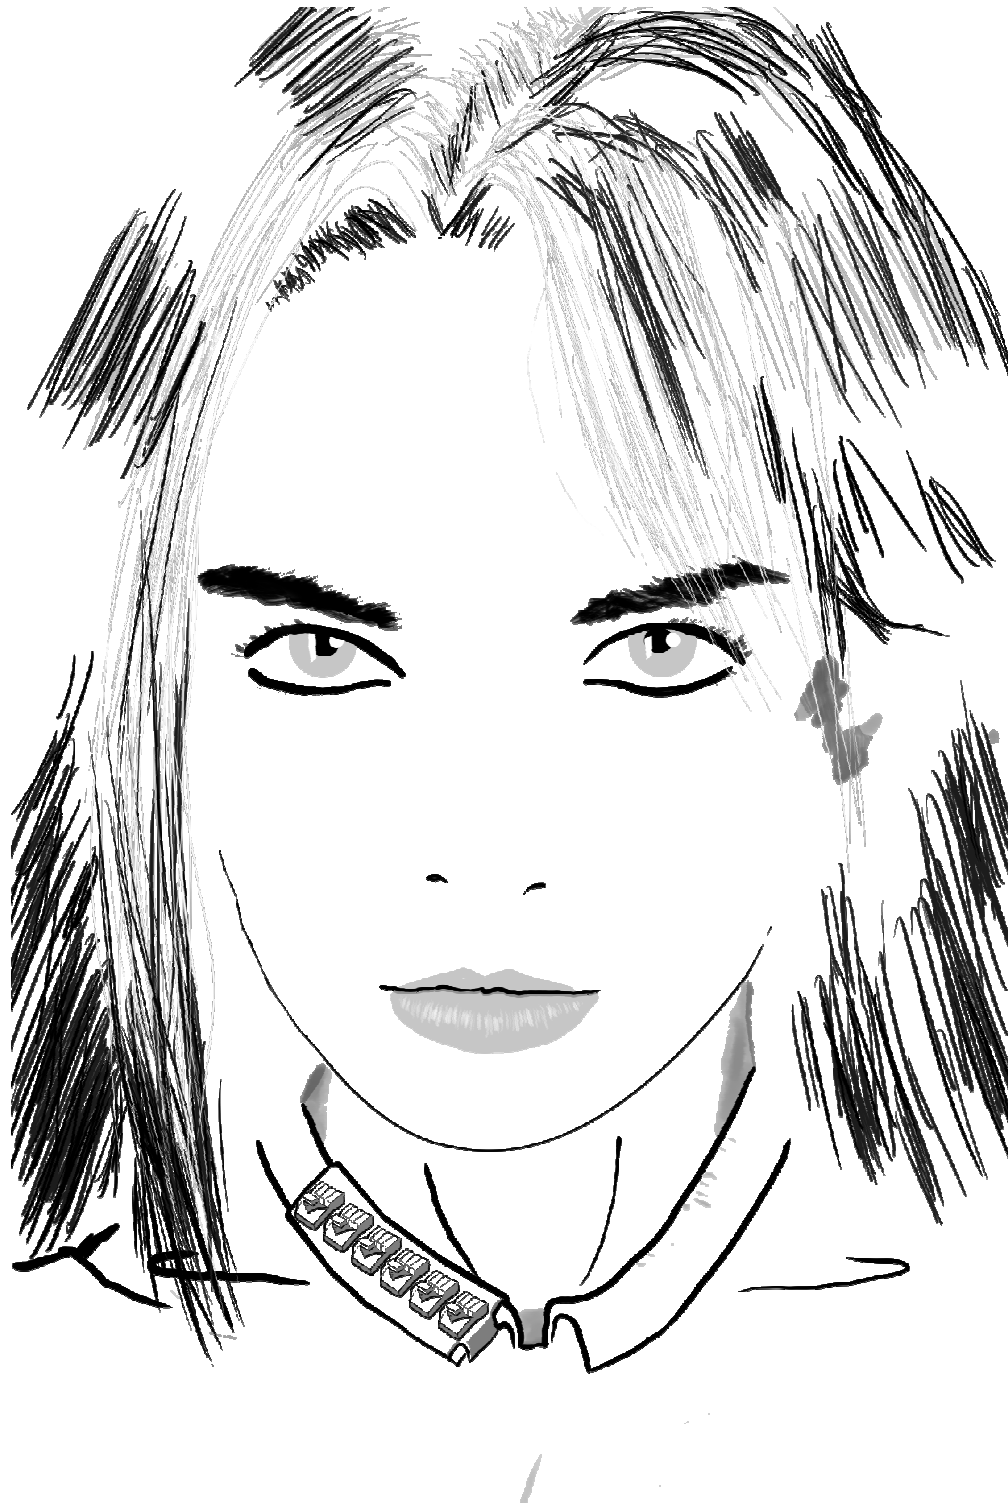

Senth Antonello is a HalfKin, half Kin and half human. His adoptive father is Luc Saint-Cyr. Senth has cornflower blue eyes and dark curly hair. He wears a blue hooded-cloak. His guild name is Blue Shadow.

Khyff Antonello is blond and has blue eyes. He is a security liaison for the company For Women Only, which is owned by Luc Saint-Cyr. In this image, he is wearing a debit bracelet, used in the Tarthian Empire as money, ID, a reader, and it is a superior GPS.

The immortal Dessy ap Lorectic is known in her current life as Rheyne Destoia, Empress of the Tarthian Empire. She is the twin sister to Pietas. She has dark hair and according to Pietas, "eyes the color of a winter storm." The emblems on her collar are fists (her symbol) and denote rank.

NarrAy Jorlan is a captain in the All People's Liberation Army (APLA) and is a freedom fighter striving to bring liberty to the empire. She is considered a terrorist by Empress Destoiya. NarrAy has dark hair and amber eyes.

Mehfawni (Fawni) Ruh is the Kin ambassador for the Ruh clan. Her grandmother is the reigning *Tzesarki* -- the highest ruler on the planet. Mehfawni will take her place if all goes well in the peace talks on Tarth. Fawni has dark hair and pale amber eyes.

An image of Pietas taken from the book Bringer of Chaos: the Origin of Pietas. In the scene this depicts, Pietas performs a ritual affirming his strength and prowess. His blond hair is darker here, because it is wet.

Peril is a role-playing game played by the immortal Sempervians. Pietas is the gamemaster, and the referees are androids. The penalty for losing a game of Peril (which takes one mortal lifetime -- 40 years) is death at the hands of Pietas every day for a Sempervian year. Players don't play to win; they play to live.

Visit the site peril.me for a sneak preview of the upcoming game.

In the book *Bringer of Chaos: the Origin of Pietas*, Pietas dreams dragons of silver and teal blue. Although not mentioned in the story, the dragon always carries three arrows in his left hind foot. Pietas will meet the dragon in a future story. His name is Stormsinger.

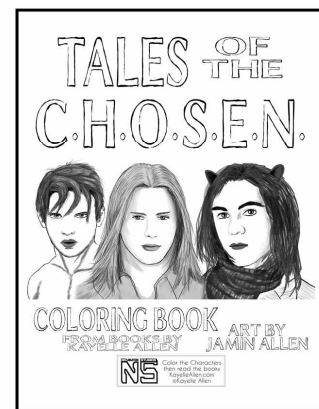

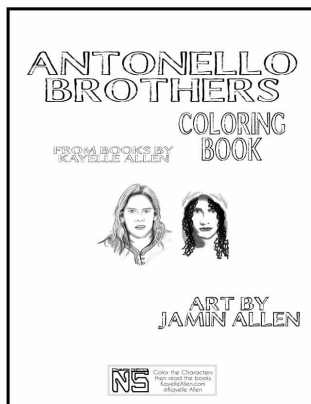

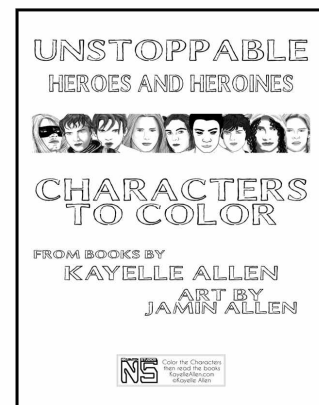

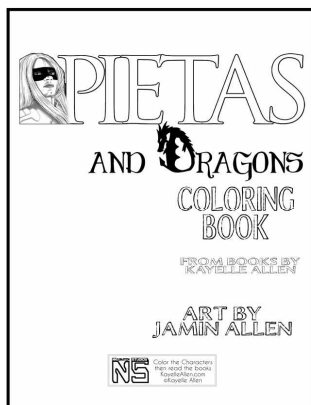

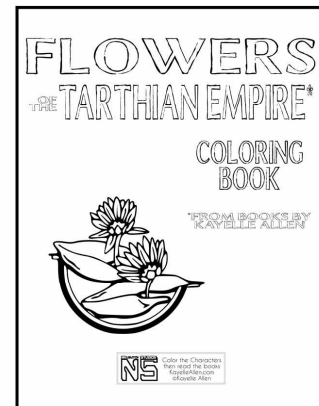

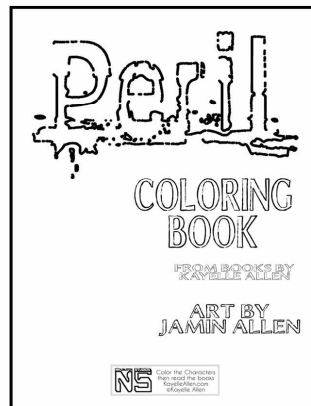

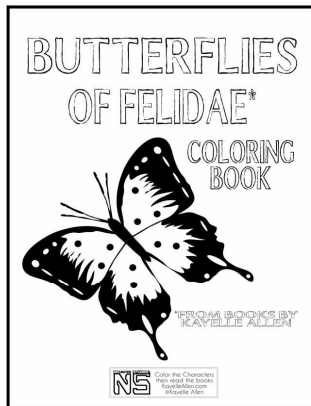

Bonus Image

Ehrstahn Fasra is the hero in an upcoming book. He is 7' (2.13m) tall and has platinum blond hair and teal blue eyes, very much like Pietas. His pupils are those of a cat.

Ehrstahn was mentioned in the book For Women Only.
