

# Books by Kayelle Allen

From her comfy ergonomic office chair, Kayelle Allen forges the very fabric of her story universe using only the tips of her fingers and her powerful imagination. Her passion is to create both commissioned and original art, employ extensive worldbuilding with inventive behind-the-scenes peeks, and write tightly woven tales. Her unstoppable, unshakeable, unforgettable characters feel so real you'll swear you've met them. Enter her Ever-Expanding Empire when you visit the homeworld and claim your [immortality](#). Come explore an entire universe of stories.
